

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

ORDER

Application 15105 Permit 9659 License 5122

ORDER AMENDING LICENSE

WHEREAS:

1. License 5122 was issued to Mr. Brooks Park and recorded at the office of the Mono County Recorder on June 9, 1958.
2. License 5122 was subsequently transferred to Park Livestock Company.
3. License 5122 confers upon Park Livestock Company an appropriative right to use water from Slinkard Creek in Mono County.
4. License 5122 is conditioned upon full compliance with Section 525 of the Fish and Game Code; however, Fish and Game Code Section 525 was superceded and replaced by Section 5937 prior to issuance of the License.
5. Fish and Game Code Section 5946 requires that the State Water Resources Control Board condition Licenses that authorize diversion of water in Department of Fish and Game District 4 ½ (Inyo and Mono Counties) to specify compliance with Section 5937 of the Fish and Game Code.
6. Since amendment of License 5122 to conform with the Fish and Game Code is a ministerial action, this Order is exempt from the provisions of the California Environmental Quality Act (CEQA) and the State CEQA Guidelines in accordance with Section 21080 of the Public Resources Code.

NOW, THEREFORE, IT IS ORDERED THAT:

The following License condition,

"This license is conditioned upon full compliance with Section 525 of the Fish and Game Code"

is deleted and replaced with the following:

In accordance with the requirements of Fish and Game Code Section 5946, this License is conditioned upon full compliance with Section 5937 of the Fish and Game Code.

STATE OF CALIFORNIA—STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

APPLICATION 15105

PERMIT 9659

LICENSE 5122

THIS IS TO CERTIFY, That

Brooks Park
Gardnerville, Nevada

(over)

has made proof as of August 21, 1956
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
Slinkard Creek in Mono County

tributary to West Walker River

for the purpose of irrigation and stockwatering uses
under Permit 9659 of the State Water Rights Board and that said right to the use of said water has been
perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the
terms of the said permit; that the priority of the right herein confirmed dates from December 4, 1952
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed two (2) cubic feet per second
to be diverted from about April 1 to about September 30 of each year for irrigation
purposes and throughout the year as required for stockwatering purposes.

The equivalent of such continuous flow allowance for any thirty-day period may
be diverted in a shorter time if there be no interference with other vested rights.

The point of diversion of such water is located:
South fifty degrees fifty-three minutes west (S50°53'W) one thousand seven hundred
seventy-eight (1778) feet from E $\frac{1}{4}$ corner of Section 11, T9N, R22E, MDB&M, being
within NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of said Section 11.

A description of the lands or the place where such water is put to beneficial use is as follows:

310 acres within Section 1, T9N, R22E, MDB&M
140 acres within Section 2, T9N, R22E, MDB&M
55 acres within Section 11, T9N, R22E, MDB&M
290 acres within Section 12, T9N, R22E, MDB&M
795 acres total as shown on map filed with State Water Rights Board.

This license is conditioned upon full compliance with Section 525 of the Fish and
Game Code.

0140999

This application and license is of equal priority with Applications 15104, 15106,
Permits 9658, 9660.

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the
interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of
diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time
to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein
specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
